

# 8 PAGE (7x10) BROCHURES OVERVIEW -

The 8 page brochure is a high-end and unique solution to tell your story. It stands out from typical brochures both in it's unique size and the number of pages. Because of the size, this brochure can contain an overview of the practice and also highlight elective and high-end services.

For specialists, the perceived quality of the brochure is ideal to differentiate you from other referral options, enhance perceptions and add value.
